**Subject:- Electronic Toll Collection using FASTag at all Toll Plazas-  
crowd management reg;**

**Circular No.01(Home) of 2019**

**Dated: 29. 11. 2019**

To save time and fuel, and reduce pollution caused due to overcrowding of vehicles at Toll Plazas, the Ministry of Road, Transport and Highways, NHAI, has decided to implement 100% Electronic Tax Collection using FASTag w.e.f 01.12.2019. All the lanes at the Toll Plazas have, accordingly, been FASTag enabled, leaving, however, one lane in each direction where FASTag as well as cash payments would be accepted. To avoid entry of any vehicle without having a FASTag into a declared "FASTag lane", payment of Toll fee at double the applicable rate shall have to be paid by the defaulter.

In view of the transition and to avoid any untoward incident, crowd management at the Toll Plazas will have to be ensured.

Accordingly, it is enjoined upon all the concerned District Magistrates and Superintendents of the Police to render requisite support for handling this transition, including crowd management at respective Toll Plazas.
